

Intern Kings.com

Let's Corporate innovation Success!

About The Company

InternKings.com is a fast growing Company in a unique business space. InternKings.com has built India's largest network of students from top notch Business Schools. This unique network is leveraged by InternKings.com to complete tasks outsourced to it by companies. All such tasks are Projects Managed by the teams at InternKings.com. The students work from anywhere at anytime to achieve these targets. They get paid periodically on achievement of these targets. This efficient crowdsourced system helps companies to achieve product transactions, product listings, hiring, training of business partners. Our customers include 5Paisa Capital, HLFC Life, HDFC Mutual Fund, Franklin Mutual Fund etc..

We also offer unmatched full range Consultancy services for Research, PhD Thesis, Synopsis and Journal & Conference papers. Starting from Research Topic Identification based on Research Gap, Proposal Consultation, Assistance for Thesis Writing, Editing and Statistical Analysis, at Internkings.com, you can avail guidance for all stages of your PhD Thesis.

Our Mission

To financially prosper our customers
and to strengthen our relationship
with them by building trust.

Our Vision

To distinguish Intern-kings in the field of training and development to the interns and serve our customers in the field of financial products through innovative channels of marketing along with promotions and market research.

Our Objectives

The core objectives of the firm are:

- 1. **Customer centric:** We value our customers so the focus of the company is for the people, of the people and by the people.
- 2. **Integrity:** We work in collaboration with our customers, employees and the interns to ensure success for them.
- 3. **Trustworthy:** Intern-kings believe in building trust and confidence with our customers in order to maximize their wealth along with the peace of mind.
